

Coffee Syrups

Is "Old World" branding worth the premium pricing? At Jus-Mix we don't charge you extra for our heritage. In fact, our packaging allows the person using the Jus-Mix® products to do so easily and efficiently. And we have just as many flavors as the other guys. In fact, some might surprise you. Being a beverage engineering company, we can create high quality, custom flavor solutions with greater flexibility in batch size.

Features & Benefits:

- Jus-Mix's playful package with its easy flavor identification - a single letter for each flavor - adds character to your offering and instant recognition for your employees
- Jus-Mix's syrups are available in a wide variety of packaging sizes and formats - from 375 ml bottles to bag-in-box and everything in between
- At Jus-Mix we welcome the challenge to meet all of your needs - put us to the test!
